Illegal constructions in Delhi Cantonment

1411. PROF. RAM DEO BHANDARY: Will the Minister of DEFENCE be pleajed to state:

(a) whether it is a fact that illegal construction has been done in houses in the 14 sites given on lease by Government in the Gopinath Bazar area in Delhi Cantonment in violation of rules and regulations;

(b) if so, the reasons therefor;

(c) the action being taken against officials of Delhi Cantonment Board under whose patronage illegal constructions have been done by the residents; and

(d) action being taken by Government in the light of prevailing security scenario to protect army establishments in the area from high rise building which may be given on rent to anti-social elements etc.?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) to (d) There are 13 sites held on lease in the Gopinath Bazar area of Delhi Cantonment and one lease site has already been resumed by the Government. Certain unauthorised constructions have come to the notice in 12 sites out of the 13 sites in the said area.

The reasons for such illegal constructions are due to restrictive land policy, increase in population, transfer and sub-division of sites and the tendency of people to take shorter and convenient route and lack of adequate enforcement machinery with the Cantonment Board.

No case of officials of Delhi Cantonment Board who patronage such illegal activities have come to the notice of the Government.

No high rise buildings, in violation of rules and regulations, have come up and therefore the question of security threat to Army Establishments does not arise.

Opening of defence production to private sector
